

### Naturally Powerful Cough and Sore Throat Relief

*CounterAct Cough Drops*, in delicious Honey Lemon or Orchard Cherry, combine the power of menthol with a soothing touch of T40-C3<sup>®</sup> brand *Melaleuca Oil* and traditionally beneficial vitamin C to help naturally relieve coughs, soothe sore throats, and cool nasal passages.

Honey and lemon are traditional remedies for a cough or sore throat. Honey Lemon *CounterAct Cough Drops* use all-natural Grade-A honey and lemon oil to help comfort dry, irritated throats.

#### Natural Menthol

- Proven cough suppressant that also helps dull the pain of a sore throat and helps nasal passages feel cooler.

#### Soothing T40-C3<sup>®</sup> Melaleuca Oil

- A penetrating antiseptic that helps soothe your aching throat.

#### Beneficial Vitamin C

- A traditional immune system booster.

# MELALEUCA PHARMACY®

No matter the season, coughs and dry or sore throats can strike. Whether it's because of allergies or colds, your dry, scratchy throat can feel like sandpaper. Few, if any, cough drops combine everything you need and want into one formula—until now.

## CounterAct Cough Drops

You'll feel better fast when you pop a natural *CounterAct Cough Drop*. Available in great tasting Honey Lemon and delicious Orchard Cherry, each drop helps relieve dry or sore throat woes and unproductive coughs using a unique combination of natural ingredients. We started with menthol, a proven ingredient that controls and fights coughs, soothes sore throats, and cools nasal passages. Then, we added T40-C3 brand *Melaleuca Oil* and immune system-boosting vitamin C. No other cough drop on the market combines these powerful, cough-easing ingredients into one delicious drop. Using only natural colors and sweeteners, our drops also come in a resealable bag with environmentally friendly, biodegradable wrappers.

## CounterAct Cough Drops vs. Halls

	CounterAct Cough Drops	Halls® Cough Drops
Menthol (Active)	✓	✓
Vitamin C	✓	
T40-C3® Melaleuca Oil	✓	

Halls is a registered trademark of Cadbury Adams.
